

Horse Council Political Action Committee

The politicians are talking about...

Horse Slaughter • Horse Seizure • Sunday Hunting
Police Enforcement of Helmet Use • Ag Preservation Funding
Funding for Horse Industry Board • Raiding The Horse Racing Fund
Sales Tax on Ag Equipment • Trails Funding
Funding for Equestrian Facilities • The Feed Fund
Stable Licensing Rules • Permits for Barns
Manure Spreading Restrictions • Zoning For Horses

They should be listening to us!

And they have been. Our PAC supported the right campaigns last fall and as a result Maryland Horse Council had a very successful legislative session.

Now we must rebuild the fund.

Please fill out this form and make your contribution today.
